A *D*
They say the sun is sometimes eclipsed by a moon
E
You know I don't see you when she walks in the room

It's no secret that a friend is someone who lets you help
It's no secret that a liar won't believe anyone else
They say a secret is something you tell one other person
So I'm telling you, child

C#m *E*
(Love, we shine like a *A* man will beg
A
Burning star *A* man will crawl
We're fallin' from On the sheer face of love
C#m *E* *A* Like a fly from the wall
The sky... tonight) It's no secret at all

It's no secret that a conscience can sometimes be a pest
It's no secret that ambition bites the nails of success
Every artist is a cannibal Every poet is a thief
All kill their inspiration and sing about their grief

(Love, we shine like a *A* man will rise
Burning star *A* man will fall
We're falling from From the sheer face of love

It's no secret at all
E
It's no secret that the stars are falling from the sky
The universe exploding 'cosa one man's lie
