Dm *Am*

The lights are slowly fading down

F

There's no one else, just you and me

E

Nothing ever changed

Dm *Am*

I see your faces in the crowd

F

It seems I know each one of you

E

For all my life

F

I wish this night could last forever

F *G*

But it's time to go

Dm *Am*

I saw you laugh, I saw you cry

F

All for one and one for all

E

Nothing ever changed

Dm *Am*

The way you sang just blew my mind

F

It gave me chills from head to toe

E

What a glorious night

F

To me it could have lasted forever

F *G*

But it's time to go

G# *Bb*

A moment in a million years

Bb *Cm*

Is all I've got for you

G# *Bb*

A moment in a million years

Bb *Cm*

To make some dreams come true

G# *Bb*

A moment that I won't forget

Bb *Cm*

Until the day I die

G# *G*

A moment in a million years

Cm

Called life

The bus is waiting right outside

To hit the road and once again

I leave you all behind

I chase another dream tonight

And by the time you'll be home

I'll be far away

Nothing seems to last forever

It's time to go

A moment in a million years

Is all I've got for you

A moment in a million years

To make some dreams come true

A moment that I won't forget

Until the day I die

A moment in a million years

Called life
