verse 2:

(same chords again)

Sometimes I think that a true love can never be

I just believe that somehow it wasn't meant for me

Life can be cruel in a way that I can't explain

And I don't think that I could face it all again

I barely know you but somehow I know what you're about

A deeper love I found in you,and I no longer doubt

You've touched my heart and it altered every plan I've made

And now I feel that I don't have to be afraid

Chorus:

Ain't it funny how some feelings you just can't deny

And you can't move on even though you try
Ain't it strange when you're feeling things you shouldn't feel
Oh, I wish this could be real
Ain't it funny how a moment could just change your life
And you don't want to face what's wrong or right
Ain't it strange how fate can play a part
In the story of your heart
