

C G
 Nothing Unusual Nothing Strange
 Am F
 Close to nothing at all
 Dm Am
 The same old scenario the same old rain
 F G
 And there's no explosions here
 C G
 Then something unusual something strange
 Am F
 Comes from nothing at all
 Dm Am
 I saw a spaceship fly by your window
 F G
 Did you see it dissappear
 Am F
 come sit on my wall
 G C
 And read me the story of O
 Dm Am
 And tell it like you still believe
 F
 That the end of the century
 G
 Brings a change for you and me
 C G
 Nothing unusual nothings changed
 Am F
 Just a little older thats all
 Dm
 You know when you've found it
 Am
 There's someting I've learned
 F G
 Cause you feel it when they take it away
 G G
 hey hey hey...
 C G
 Something unusual something strange
 Am F
 Comes from nothing at all
 Dm Am
 But I'm not a miracle and you are not a saint
 F G
 Just another soldier on a road to nowhere
 Am F
 come sit on my wall
 G C
 And read me the story of O
 Dm Am
 And tell it like you still believe
 F
 That the end of the century

G

Brings a change for you and me
