

E B F#m A
 Come on, my star is fading
 And I swerve out of control
 If I, if I'd only waited
 I'd not be stuck here in this hole
 Come here my star is fading
 And I swerve out of control
 And I swear I waited and waited
 I've got to get out of this hole
F#m A
 But time is on your side
E B
 Its on your side now
F#m A
 Not pushing you down and all around
E B
 It's no cause for concern
 Come on, oh my star is fading
 And I see no chance of release
 And I know I'm dead on the surface
 But I am screaming underneath
 And time is on your side
 Its on your side now
 Not pushing you down
 And all around, no
 It's no cause for concern
 Stuck on the end of this ball and chain
 And I'm on my way back down again
 Stood on a bridge, tied to the noose
 Sick to the stomach
 You can say what you mean
 But it won't change a thing
 I'm sick of the secrets
 Stood on the edge, tied to a noose
 You came along and you cut me loose
 You came along and you cut me loose
 You came along and you cut me loose.
