

Bb
 Sitting here wasted and wounded
F
 This old piano
Bb
 Trying hard to capture the moment
F
 This morning I don't know
Am Bb
 'Cause a bottle of vodka is still lodged in my head
F
 And some blond gave me nightmares
Bb
 Think she's still in my bed
Bb C F
 As I dream about movies they won't make of me when I'm dead

[Verso 2:]

Bb
 With an ironclad fist
F
 I wake up, and French kiss the morning
Bb
 While some marching band keeps its own beat
F
 In my head while we're talking
Am Bb
 About all of the things, that I long to believe
F
 About love, the truth, what you mean to me
Bb
 And the truth is
*Bb C F F C C**
 Baby, you're all that I need

[Refrão 1:]

Dm Dm
 I wanna lay
C Bb F
 You down in a bed of roses
Dm Dm
 For tonite
C Bb F
 I sleep on a bed of nails
Bb
 Oh, I want to be
F
 Just as close as
Bb F
 The Holy Ghost is
Dm C Bb Bb
 And lay you down
Bb Bb F*
 On a bed of roses

[Verso 3:]

Bb

Well I'm so far away

F

Step that I take is on my way home

Bb

King's ransom in dimes

F

Given each night to see through this payphone

Am

Still I run out of time

Bb

Or it's hard to get through

F

Till the bird on the wire

Flies me back to you

Bb

I'll just close my eyes, whisper

*Bb C F F C C**

Baby, blind love is true
