

Intro

*Dm C B*

*Dm C B*

I think you can do much better than me

*Dm C B*

After all the lies that I made you believe

*Dm C B*

Guilt kicks in and I start to see

*Dm C B*

The edge of the bed where your nightgown used to be

*Dm B C Gm*

I told myself I won't miss you but I remembered

*Dm B C Am*

What it feels like beside you

*Dm B*

I really miss your hair in my face

*Dm C*

And the way your innocence tastes

*Dm B C*

And I think you should know this

You deserve much better than me

*Dm C B*

While looking through your old box of notes

*Dm C B*

I found those pictures I took that you were looking for

*Dm C B*

If there's one memory I don't want to lose

*Dm C B*

That time at the mall you and me in the dressing room

*Dm Bm C Gm*

I told myself I won't miss you but I remembered

*Dm Bm C Am*

What it feels like beside you

*Dm B*

I really miss your hair in my face

*Dm C*

And the way your innocence tastes

*Dm B C*

And I think you should know this

You deserve much better than me

*Gm B*

The bed I'm lying in is getting colder

*F*

Wish I never would've said it's over

*C*

And I can't pretend

*Gm B*

I won't think about you when I'm older

*F*

Cause we never really had our closure

*C Am*

This can't be the end

*Dm B*

I really miss your hair in my face

*Dm C*

And the way your innocence tastes

*Dm B C*

And I think you should know this

You deserve much better than me

*Dm B*

I really miss your hair in my face

*Dm C*

And the way your innocence tastes

*Dm B C*

And I think you should know this

You deserve much better than me

*Dm B C*

(And I think you should know this)

(You deserve much better than me)
