

*F#m*

Here we go for the hundredth time, hand grenade pins in every line

*E*

Throw 'em up and let something shine, going out of my fuckin mind

*F#m*

Filthy mouth / no excuse, find a new place to hang this news

*E*

String me up from atop these roofs, knot it tight so i won't get loose

*D*

Truth is / you can stop and stare

*E*

Bled myself out and no one cares

*F#m*

Dug the trench out / laid down there, with a shovel up out of reach somewhere

*D*

Yeah / someone pour it in

*E*

Make it a dirt dance floor again

*Bm*

Say your prayers and stomp it out, when they bring that chorus in

*F#m* *E* (x3)

I bleed it out digging deeper just to throw it away

*D*

Just to throw it away

*Bm*

Just to throw it away

*F#m*

I bleed it out

*F#m*

Choppy words and a sloppy flow,

*E*

Shotgun opera / lock and load,cock it back and then watch it go

*F#m*

mama help me / i've been cursed, death is rolling in every verse

*E*

Candy paint on his brand new hearse,can't contain him / he knows he works

*D*

*E*

Fuck this hurts / i won't lie / doesn't matter how hard i try

*F#m*

Half the words don't mean a thing and i know I won't be satisfied

*D*

*E*

so why try ignoring him, make it a dirt dance floor again

*Bm*

say your prayers and stomp it out, when they bring that chorus in

*F#m* *E* (x3)

I bleed it out digging deeper just to throw it away

*D*

Just to throw it away

*Bm*

Just to throw it away

*F#m*

I bleed it out

*Bm*

I open up these scars

*F#m*

I'll make you face this

*Bm*

I pull myself apart

*F#m*

I'll make you face this

*Bm*

i open up these scars

*F#m*

i'll make you face this now

*F#m ? E*

*F#m* *E* (x3)

I bleed it out digging deeper just to throw it away

*D*

Just to throw it away

*Bm*

Just to throw it away

*F#m*

I bleed it out

OUTRO:

*E D Bm* (x2)

*F#m*

I bleed it out
