

Em Am
If you want to live, then live
Em B7
if you want to go, just go
Em Am Em (B7)
I'm not afraid to dream- to sleep, sleep forever
Em Am
I don't need to touch the sky
Em B7 Em
I just want to feel that high
Am Em (B7)
and you refuse to lift me

Am B7 Em (C D)
guess it wasn't real after all
Am B7 Em
guess it wasn't real all along
Am Em Am Em
If I fall and all is lost
D C Em
its where I belong

Em Am
If you want to live, then live
Em B7
if you want to go, just go
Em Am Em (B7)
I'm never gonna be your sweet, sweet surrender

Am B7 Em (C D)
guess it wasn't real after all
Am B7 Em
guess it wasn't real all along
Am Em Am Em
If I fall and all is lost
D Am D
no light to lead the way
Am Em Am Em D C Em
remember that all alone is where I belong

D Am
In a dream
Em D C Am
will you give your love to me
Am D Am B7
beg my broken heart to beat
Am Em
save my life
Am B7
change my mind

Am Em Am Em
If I fall and all is lost
D Am D

no light to lead the way

Am Em Am Em D C Em

remember that all alone is where I belong
