Palms rise to the universe

As we moonshine and molly

Feel the warmth, we'll never die

We're like diamonds in the sky

You're a shooting star I see

A vision of ecstasy

When you hold me, I'm alive

We're like diamonds in the sky

At first sight I felt the energy of sun rays

I saw the life inside your eyes

So shine bright tonight, you and I

We're beautiful like diamonds in the sky

Eye to eye, so alive

We're beautiful like diamonds in the sky

Shine bright like a diamond

Shine bright like a diamond
