Akor:

Fm

Oh well, honor for all

Fm

Of the big and the small

Fm

Well, the taller they stand

Fm

Well, the harder they fall

F

We live for today but we die for the next

F

With blood in our veins and the air in our chest

Fm

Oh, we step into war with our hearts on the line

Fm

Dirt on our boots, it shakes free over time

Em

The music, it fades, the violence slows

Bb

The darkness, it rises, as the sun goes

Fm

Love is a distant aroma at best,
Fm
A withering smile that's stuck deep in your vest.
F
The night air it wraps its fingers around,
F
Your body, it shakes from the now distant sound,
Fm
Oh, the sound of her voice - a sweet symphony,
Fm
Played over and over until you are free.

Em
The music, it fades, the violence slows
Bb
The darkness arises, as the sun goes

Fm
Can you feel the new day rising,
F
Climbing up the east horizon?
Fm
They controlled us
Fm
Now we'll fight through
Em
Each and every one
Bb
will start new

Fm
Well, we shall not stumble
Fm
No, we shall not fall
Fm
We shall not crumble
Fm
No, we shall stand tall

F
Oh well, death, it will come
F
As sure as a night
F
We will not run
F
No, we live but to fight

Fm
With blood on our hands
Fm
And dirt on our knees
Fm
We tear at the ones,
Fm

Who brought the disease
