

*F* *Bb*  
Everybody thinks that girl's so fine  
*F* *C*  
And everybody's like i'll make her mine  
*F* *Bb*  
Everyone thinks that she's a bit of alright  
*F* *C*  
But I think that she's not so nice

*F* *Bb*  
Every guy's looking in her eyes  
*F* *C*  
Every guy's checking out her thighs  
*F* *Bb*  
Everyone thinks that girl's a lady  
*F* *C*  
But I dont I think that girl's shady

*F* *C*  
Well I'll just read a book instead  
*Dm* *Bb*  
I don't care if we're just friends  
*F* *C*  
Well I can hang out with myself  
*Dm* *Bb*  
I'm old enough now to pretend  
*F* *C*  
Well I'll just read a book instead  
*Dm* *Bb*  
I know that you think she's best  
*F* *C*  
Well I don't even think she cares  
*Dm* *Bb*  
I don't know what you see - there's nothing there!
