OK Kids, Here's the hard part. Wicked-ass solo, Tabbed in some other section. The

background chords, are something like this when they're in

F - G - Cm ? - G - F - G - Cm ? - G

I cant find anything better than that C minor, when you've got the full distortion on,

sounds fine, but if you get a chord thats better, Please Email

Then it fades... and you get your Rhythym Fill again..
