

G C
Through these misty eyes
Am
I see lonely skies
C Am
Lonely road to Babylon

Where's my family ROAD

And my country

Heaven knows where I belong

Pack my bags tonight

Here's one Jacobite
C Am
Who must leave or surely die

Put me on a train

In the pouring rain
C Am
Say farewell but don't say goodbye

Dm F
Seagull carry me, over land and sea
Am C G
To my own folk, that's where I want to be

C Am
Every beat of my heart
C Am
Tears me further apart
F C Am
I'm lost and alone in the dark
G C Am G
I'm going home

C
One more glass of wine
Am
Just for auld lang syne

C Am
And the girl I left behind

C
How I miss her now
Am
In my darkest hour
C Am

And the way our arms entwine

How they make a grown man cry
