

Intro C#m A E E x2

C#m

Lately I've been thinking

A E E

Lately I've been dreaming with you

C#m

I'm so resistant to this type of thinking

A E E

Oh, now it's shining through

C#m

I was alone for the last time

A E E

Before my night's vacation with you

C#m

Alive from the first

A E E

Now I'm denied by the ghost of you

C#m A

You take yourself a photograph and laugh at me

E E

Please

C#m

I know there's little use in crying

A E E

It's more wide awake and dying then I'm used to

C#m

I thought we'd walk these streets together

A E E

Now I'm hoping that I'll never have to meet you

C#m

Step aside from all this anger

A E E

And somewhere in between I can feel you

C#m

Ask me should we try again

I'm thinking no

A E

Y'know, it's not what I believe in

E

It's not what I believe in

C#m A

You take yourself a photograph and laugh at me

E E

Please

C#m A

You make yourself a photograph and laugh at me

E E

Please...
