

*Cm* *A#*  
The truth will never hide  
*G#* *A#*  
Even though I tried  
*Cm* *A#*  
They tried to take my pride  
*G#* *A#* *Cm* *A#*  
But they only took my father from me  
*G#* *A#*  
They only took my father

*Cm* *A#* *G#*  
Even though I cried  
*Cm* *A#* *G#* *A#* *Cm* *A#*  
Even though I tried again

*Fm* *A#* *Cm* *A#*  
God be with you Ireland  
*Fm* *G#* *Cm*  
God be with you Ireland

*Cm* *A#*  
Sometimes I was afraid  
*G#* *A#*  
Even though I prayed  
*Cm* *A#*  
I've lost my religion now  
*G#* *A#*  
You took that too somehow

*Cm* *A#* *G#*  
Blood upon thy hands  
*Cm* *A#* *G#* *A#*  
Blood upon thy hands again

*Cm* *A#*  
I have served my time  
*Fm* *A#*  
God be with you Ireland  
*Cm* *A#*  
Suffered for my crime  
*Fm* *G#*  
God be with you Ireland

*Cm* *A#*  
I have served my time  
*Fm* *A#*  
God be with you Ireland  
*Cm* *A#*  
Suffered for my crime  
*Fm* *G#* *Cm*  
God be with you Ireland

*Cm*

God be with you now.
