

Eb *Bbm7* *Ab*
I am the one who guided you this far
 Bb *Gm* *Dm*
All you know and all you feel
Em *Am*
Nobody must know my name
 Dm *Ab* *Eb*
For nobody would understand and you kill what you fear
 Bbm7 *Ab*
I call you for I must leave
 Bb *Gm* *Dm*
You're on your own until the end
 Em *Am*
There was a choice but now it's gone
 Dm *G* *Fmaj7* *Dm* *A*
I said you wouldn't understand take what's yours, and be damned
