

Am Em F G

Am Em F
What's worth nothing else but love

G
Take a walk down any street now

Am Em
Every one of us in our own little world
F G

Looking for a heart with whom to beat now

Am Em F
What's worth nothing else but love

G
I'm prepared to take the heat now

Am Em F
What's worth more than anything else at all
G

To keep you firmly on your feet now

Am Em
So fake cool image should be over

F Em
'Cause I long for a feeling of home

F Em
Real life, depicted in song
F

A loving memory

Am Em F F G
After long, home is a place where I yearn to belong

Am Em F
Where the land meets the sea

G
She'll be smiling so sweetly now

Am Em F
I hope that she'll be here much longer than I will
G

My heart loves her with every beat now

Am Em
So fake cool image should be over

F Em
'Cause I long for a feeling of home

F Em
Real life, depicted in song
F

A loving memory

Am Em F F G
After long, home is a place where I yearn to belong
