

INTRO: *Am Dm G C F Bb E E*

*Am*

At first I was afraid.

*Dm*

I was petrified.

*G*

I kept thinking I could never live

*C*

Without you by my side.

*F*

But then I spent so many nights

*Bb*

Just thinking how you'd done me wrong.

*E*

I grew strong.

*E*

I learned how to get along.

*Am*

*Dm*

And so you're back from outer space.

*G*

I just walked in to find you here

*C*

Without that look upon your face.

*F*

I should have changed my fucking lock.

*Bb*

I would have made you leave your key

*E*

If I'd have known for just one second

*E*

You'd be back to bother me.

[Nak.]

*Am*

Oh now go.

*Dm*

Walk out the door.

*G*

Just turn around now.

*C*

You're not welcome anymore.

*F*

Weren't you the one

*Bb*

Who tried to break me with desire?

*E*

Did you think I'd crumble?

*E*

Did you think I'd lay down and die?

*Am*

Oh not I.

*Dm*

I will survive.

G

As long as I know how to love

C

I know I'll be alive.

F

I've got all my life to live.

Bb

I've got all my love to give.

E

I will survive.

E

I will survive.

Am

It took all the strength I had

Dm

Just not to fall apart.

G

I'm trying hard to mend

C

The pieces of my broken heart.

F

And I spent oh so many nights

Bb

Just feeling sorry for myself.

E

I used to cry.

E

But now I hold my head up high.

Am

Dm

And you'll see me with somebody new.

G

I'm not that stupid little person

C

Still in love with you.

F

And so you thought you'd just drop by,

Bb

And you expect me to be free.

E

But now I'm saving all my lovin'

E

For someone who's lovin' me.

Am

Oh now go.

Dm

Walk out the door.

G

Just turn around now.

C

You're not welcome anymore.

F

Weren't you the one

Bb

Who tried to break me with desire?

*E*

Did you think I'd crumble?

*E*

Did you think I'd lay down and die?

*Am*

Oh not I.

*Dm*

I will survive.

*G*

As long as I know how to love

*C*

I know I'll be alive.

*F*

I've got all my life to live.

*Bb*

I've got all my love to give.

*E*

I will survive.

*E*

I will survive.

Outro: *Am* X3
