

Verse 1:

Bm *G* *D*
Take my hand tonight We can run so far
 D
We can change the world Do anything we want

Bm *G* *D*
We can stop for hours Just staring at the stars
 G
They shine down to show us

Chorus:

Em
You know when the sun forgets to shine
 Bm
I'll be there to hold you through the night
 G *D* *A*
We'll be running so fast we can fly tonight

Em
And even when we're miles and miles apart
 Bm
You're still holding all of my heart
 G
I promise it will never be dark
 D *A*
I know we're inseparable

Verse 2:

Bm *G* *D*
We can run forever if you wanted to
 A *Bm*
I would not get tired because I'd be with you
 G *D*
But I'll keep singing this song until the very end
 A
We have done all these things

Chorus

Bridge:

Em *Bm*
I will give it all
 G
Never let you fall
D *A*
`Cause you know we're inseparable
Em *Bm*
I would give it all
 G
Just to show you I'm in love

D A

`Cause you know we're inseparable

During the solo:

Em Bm G D A

and then the chorus one more time.
