D
So this is what you meant when you said that you were spent?
A

Bm
And now it's time to build from the bottom of the pit right to the top,

Don't hold back
G
Packing my bags and giving the academy a rain check

D *A*
I don't ever want to let you down
Bm
I don't ever want to leave this town
G
'Cause after all

This city never sleeps at night...

D
It's time to begin, isn't it?
Bm
I get a little bit bigger, but then,
Em
I'll admit, I'm just the same as I was
G
Now don't you understand

That I'm never changing who I am?

D A Bm G

D
So this is where you fell, and I am left to sell
A
the path that heaven runs through miles of clouded hell,
Bm
right to the top

Don't look back
G
Turning to rags and give the commodities a rain check

D
I don't ever want to let you down
A *Bm*
I don't ever want to leave this town

This road never looked so lonely,

G

This house doesn't burn down slowly,

Em G

to ashes, to ashes...
