

1st Stanza:

She used to be my only enemy and never letting me be free

Catching me in places that I know I shouldn't be

Every other day I cross the line I didnt mean to be so bad

Pre chorus:

Back then I didnt know why, why you were misunderstood

So now I see to your eyes, all that you did was love

Mama I love you, Mama I care

2nd Stanza:(Same Chords)

I didnt want to hear it then but I'm not ashamed to say it now

Every little thing you've said and did was right for me

I had a lot of time to think about, bout' the way I used to be

Never had a sense of my responsibility

*Repeat Pre chorus then Chorus

Pre chorus2:

But now I'm sure I know why, why you were misunderstood

So now I see to your eyes all I can give you is love

*Repeat Chorus til fade
