

F# *B*
If I had, one single wish
C# *F#*
I go back to the moment I kissed
F# *B*
You goodbye no matter how hard I tried
C# *B*
I can't live without you in my life

Nak.

F# *B*
you?I'll say you still want me
C# *F#*
you?I'll say that you don't
F# *B*
we said it was over
C# *F#*
Baby I can't let you go

I walk around couldn't understand
Where we were wrong and I can't pretend
It wasn't me it wasn't me
But I'm convinced we gave up too soon

F# *B*
Nothing left to lose after to losing you
C# *F#*
There's nothing I can take

F# *B*
When I run to you, when I come for you
C# *C#*
You tell me I'm too late
