Mr. Soft, turn around and force the world

G A Em

To watch the things you're going through

Em

Mr. Soft, believe everything they tell you

G A Em

And be dammed if they'll thank you

Am Em

You paint everything so cruel,

Am Em

Coming on like Mr. Cool;

Am G

Paint your face and shut the gate,

F#

No one's coming home till late..... Ula...Cha

Don't you know, life gets tedious enough

G A Em

Without this extra grudge to bare

You, so slow, shift your ideas, make your mind up

G A Em

In a jiffy, let' s be fair

Am Em

We'll be taking off tonight,

Turn off your eyes and shut the light,

Mr. Soft, go to town and bring the dawn in,

G A Em

In the morning on your way
