Every time I do it makes me laugh
Bb
How did our eyes get so red?
Eb
And what the hell is on Joey's head?

Bb
And this is where I grew up
Dbsus2
I think the present owner fixed it up
Bb
I never knew we ever went without
Eb
The second floor is hard for sneakin' out

Bb
And this is where I went to school
Dsus2
Most of the time had better things to do
Bb
Criminal record says I broke in twice
Eb
I must've done it half a dozen times

Bb
I wonder if it's too late
Dsus2
Should I go back and try to graduate?
Bb
Life's better now than it was back then
Dsus2
If I was them, I wouldn't let me in
Bb
Oh oh oh Oh god I, I

Eb
Every memory of looking out the back door
Bb
I had the photo album spread out on my bedroom floor
Dsus2
It's hard to say it, time to say it
Bb
Goodbye, goodbye

Eb
Every memory of walking out the front door
Bb
I found the photo of the friend that I was looking for
Dsus2
It's hard to say it, time to say it
Bb

Goodbye, goodbye

Eb

To sing to more than just the steering wheel

Bb

Kim's the first girl I kissed

Dsus2

I was so nervous that I nearly missed

She's had a couple of kids since then

Dsus2

I haven't seen her since God knows when

Bb

Oh oh oh , Oh god I, I

So hard to stay, too hard to leave it

If I could relive those days

I know the one thing that would never change
