

Intro: *Dm / Am / F / C / Em*

*Dm / Am / F / C*

*Dm*                      *Am*

I remember tears streaming down your face

*F*                      *C*      *Em*

When I said, I'll never let you go

*Dm*                      *Am*      *F*      *C*

When all those shadows almost killed your light

*Dm*      *Am*              *F*              *C*

I remember you said, Don't leave me here alone

*Dm*                      *Am*              *F*

But all that's dead and gone and passed tonight

*F*                      *C*

Just close your eyes

*G*              *F*

The sun is going down

*F*              *C*

You'll be alright

*G*              *F*

No one can hurt you now

*F*              *C*

Come morning light

*G*                      *F*      *Em*      *D*

You and I'll be safe and sound

*Dm*                      *Am*                      *F*

Don't you dare look out your window darling

*C*      *Em*

Everything's on fire

*Dm*                      *Am*      *F*      *C*

The war outside our door keeps raging on

*Dm*      *Am*      *F*      *C*

Hold onto this lullaby

*Dm*              *Am*      *F*      *F*

Even when the music's gone    gone

*F*      *C*      *Am*      *G*

Ooooh Ooooooh Lal Laaa a Lal Laaa

*F*      *C*      *Am*      *G*

Ooooh Ooooooh Lal Laaa a Lal Laaa

*F*              *C*      *G*

Just close your eyes

*F*              *C*      *G*

You'll be alright

*F*              *C*

Come morning light,

*G*                      *F*      *Em*      *D*

You and I'll be safe and sound
