

Am *Dm*
Did you see the lights
 G *Am*
As they fell all around you
Am *Dm*
Did you hear the music
 G *Am*
Serenade from the stars

Am *Dm*
Wake up, wake up
 G *Am*
Wake up and look around you
Am *Dm*
We're lost in space
 G *Am*
And the time is our own

Em
Whoa, whoa
Am

Am *Dm*
Did you feel the wind
 G *Am*
As it blew all around you
Am *Dm*
Did you feel the love
 G *Am*
That was in the air

Am *Dm*
Wake up, wake up
 G *G*
Wake up and look around you
Am *Dm*
We're lost in space
 G *Am*
And the time is our own

Em
Whoa, whoa
Am

Am *Dm*
The sun comes up
 G *Am*
And it shines all around you
Am *Dm*
You're lost in space
 G *Am*
And the earth is your own

Em
