

Walk with me, and maybe
AM F G
Nights of light so soon become
Am F G
Wild and free I could feel the sun
 F
Your every wish will be done
 F Am
They tell me

Life goes on as it never ends
Eyes of stone observe the trends
They never say forever gaze upon me
Guilty roads to an endless love (endless love)
There's no control
Are you with me now?
Your every wish will be done
They tell me

You are missing in my heart
Tell me why I can't be there where you are
