

Em D
in spoon
C E
Stirring my coffee
Am D
I thought of you
G D
And turned to the gate
Em D C E
On my way came up with the answers
Am D
I scratched my head
G D
And the answers were gone
Em D
From hand to hand
C E
Wrist to the elbow
Am D
Red blood sand
G D
Could Dad be God
Em D C E
Crosses cross hung out like a wet rag
Am D
Forgive you why
G D Em
You hung me out to dry
D C E
Maybe I'm crazy
Am D
But laughing out loud
G D
Makes the pain pass by
Em D C E
And maybe you're a little crazy
Am D G D
But laughing out loud makes it all subside

Em Am
Holding I'm holding
Em Am
I'm still falling (bu kısımdan emin değilim)

(bu kısımda üstteki gibi)
in spoon
Stirring my coffee
I thought of this
And turned to the gate
But on my way
Crack
Lightning and thunder
I hid my head
And the storm slipped away

Well maybe I'm crazy
And laughing out loud
Makes it all pass by
And maybe you're a little crazy
And laughing out loud
Makes it all alright
Laughing out loud
From time to time
Minutes and hours
Some move ahead while
Some lag behind
It's like the balloon that
Rise and then vanish
This drop of hope
That falls from his eyes
in spoon
Stirring my coffee
I think of this
And turn to go away
But as I walk
There're voices behind me saying
Sinners sin
Come now and play
