

Am F C G

Am F C E

Am F C G

I am the passenger

Am F C E

And I ride and I ride

Am F C G

I ride through the city's backside

Am F C E

I see the stars come out of the sky

Am F C G

Yeah, they're bright in a hollow sky

Am F C E

You know it looks so good tonight

Am F C G

Am F C E (X2)

Am F C G

I am the passenger

Am F C E

I stay under glass

Am F C G

I look through my window so bright

Am F C E

I see the stars come out tonight

Am F C G

I see the bright and hollow sky

Am F C E

Over the city's a rip in the sky

Am F C G

And everything looks good tonight

Am F C E

Am F C G

Singin' la la la la-la-la la

Am F C E

La la la la-la-la la

Am F C G

La la la la-la-la la la-la

Am F C E...

Get into the car

We'll be the passenger

We'll ride through the city tonight

See the city's ripped insides

We'll see the bright and hollow sky

We'll see the stars that shine so bright

The sky was made for us tonight

Oh the passenger

How how he rides

Oh the passenger
He rides and he rides
He looks through his window
What does he see?
He sees the bright and hollow sky
He see the stars come out tonight
He sees the city's ripped backsides
He sees the winding ocean drive
And everything was made for you and me
All of it was made for you and me
'cause it just belongs to you and me
So let's take a ride and see what's mine
Singing...
Oh, the passenger
He rides and he rides
He sees things from under glass
He looks through his window's eye
He sees the things he knows are his
He sees the bright and hollow sky
He sees the city asleep at night
He sees the stars are out tonight
And all of it is yours and mine
And all of it is yours and mine
Oh, let's ride and ride and ride and ride...
Singing..
