

G Bm
This is the last time
C G
That I will say these words
G Bm
I remember the first time
C G
The first of many lies
G Bm
Sweep it into the corner
C G
Or hide it under the bed
G Bm
Say these things they go away
C G
But they never do

Em7 Bm
Something I wasn't sure of
Am D
But I was in the middle of
Em7 Bm
Something I forget now
Am D
But I've seen too little of

G Bm
The last time
Am D
You fall on me for anything you like
G Bm
Your one last line
Am D
You fall on me for anything you like
Em7 Bm
And years make everything alright
Am D
You fall on me for anything you like
Em7 Bm Am
And I no I don't mind

G etc...
This is the last time
That I will show my face
One last tender lie
And then I'm out of this place
So tread it into the carpet
Or hide it under the stairs
Say that some things never die
Well I tried and I tried

Something I wasn't sure of
But I was in the middle of
Something I forget now

But I've seen too little of

The last time

You fall on me for anything you like

Your one last line

You fall on me for anything you like

And years make everything alright

You fall on me for anything you like

And I no I don't mind

The last time

You fall on me for anything you like

Your one last line

You fall on me for anything you like

And years make everything alright

You fall on me for anything you like

And I no I don't mind
