

Am *G*
Well she said, baby,
Em *F*
Come on and take my hand
Am *G*
You know that lately
Em *F*
You've been my only man

Am *G*
And all that I wanted
Em *F*
Is for you to see
Am *G*
Come on now, my love
Em *F*
And take a walk with me

Dm / D
Through the deep, dark wood
Dm / D
Through the deep, dark
Dm / D *Am*
Through the deep, dark wood

G *Em*
Love, lay your hand upon my chest
F *Am*
So I can't go back
G *Em*
No, this love ain't like the rest
F *Am*
No, I can't go back
G *Em*
Now there's no more to love than this

F *Am / G / Em /*
No, I can't go back

Em / F

Am / G / Em / F
