

A

You light of the room

E

And you don't even know

D            C            E

The all I can do to leave you alone

A

Don't bring me flower

D

You're worried too much

C            E            A

Ohh my darling to know you see me It's enough

D

We can dance around the kitchen

C

Candles cost nothing

E                            A

You can make me a ring from a milk bottle top

D            C            E

And the money runs out and then middle maybe will stop
