One tragic night he died

Em Cadd9

The saddest time of my life

G (yukaridaki tab)

For weeks and weeks I cried

Through the anger and through the tears

I've felt his spirit through the years

I'd swear, He's watching me

Guiding me through hard times

E5 C5 G5

I feel it once again

(Yukardaki Tab)

It's overwhelming me

His spirit's like the winds

The angel guarding me

Oh, I know, oh, I know

He's watching over me

Oh, I know, oh, I know

He's watching over me

We shared dreams like all best friends

Blood brothers at the age of ten

We lived reckless, he paid the price

But why? Why did he have to die?

It still hurts me to this day

Am I selfish for feeling this way?

I know he's an angel now

Together we'll be someday

I feel it once again

It's overwhelming me

His spirit's like the wind

The angel guarding me

Oh, I know, oh, I know

He's watching over me

Oh, I know, oh, I know
He's watching over me
