

Intro: *Am* x4

Am *C*
A blinding flash of white light
G *Am*
Lit up the sky over Gaza tonight
Am *C*
People running for cover
G *Am*
Not knowing whether they're dead or alive

Dm *Am*
They came with their tanks and their planes
Dm *Am*
With ravaging fiery flames
Dm *F*
And nothing remains
C *G*
Just a voice rising up in the smoky haze

F *C*
We will not go down
Am *G*
In the night, without a fight
F *C*
You can burn up our mosques and our homes and our schools
Am *G*
But our spirit will never die
Am *G*
We will not go down
Am
In Gaza tonight

Am *C*
Women and children alike
G *Am*
Murdered and massacred night after night
Am *C*
While the so-called leaders of countries afar
G *Am*
Debated on who's wrong or right

Dm *Am*
But their powerless words were in vain
Dm *Am*
And the bombs fell down like acid rain
G *Am*
But through the tears and the blood and the pain
C *Em*
You can still hear that voice through the smoky haze

We will not go down
